Dear Mr. [redacted]

Your letter of Oct. 21 has been referred to this office. Since there is some confusion as to the proper recipient, I am sending you information about the Agency for International Development, one of whose predecessors was the Foreign Operations Administration.

In the meantime, I am forwarding your letter to the State Department Office of Security which has a Division of Foreign Operations.

I trust, between this office and that in the State Department, you will receive the correct information.

Sincerely,

Jerry E. Rosenthal
